

If I could interview Alexander Graham Bell...

1. *When and where were you born?*

I was born in Edinburgh, Scotland on 3rd March, 1847.

2. *What were your professions?*

I was a scientist and an inventor.

3. *Did you have any other talents?*

I had a talent for art, poetry and music and I learned to play the piano without a teacher.

4. *What happened when you were fifteen and sixteen?*

When I was fifteen I finished school and at the age of sixteen I worked as a music teacher in an academy in Scotland.

5. *What did you do in 1870?*

In 1870 I moved to Canada and I started experiments with electricity and sound.

6. *What did you invent and when?*

I invented the telephone in 1876.

Alexander Graham Bell died on 2nd August, 1922 in Nova Scotia at the age of 75.
